

National Taiwan Normal University

Standard Operating Procedures for the Department/institute Handling of Gender-related Incidents on Campus

☆Attention:

1. In accordance with Article 21 of Gender Equity Education Act, all suspected sexual assaults, sexual harassments, or sexual bullying on campus must be reported to the University Security Center within 24 hours in addition to being handled according to university regulations and relevant laws.
2. If students report relevant incidents and state that they will only accept the guidance or assistance of department/institute, the administrator of Gender Equity Education Committee should still be notified. Guidance or assistance of department/institute must not involve the investigation of incidents and the establishment of facts.
3. All campus personnel in charge of handling sexual assault, sexual harassment, or sexual bullying incidents are under the obligation to maintain confidentiality.
